Let's go down south... to the beach! South Beach is the home of Captain John and his best friend, Jake. John earned his living as a fisherman. Jake shared John's love for the sea.

Early one Friday morning, John powered up their 36-foot fishing vessel and headed for the deep blue sea. It was a good day for fishing. The flying fish were flying and the jumping fish were jumping. A dolphin jumped so high that he was flying. A chorus of sea gulls sang their praises to a beautiful day.

Jake sat on the back deck sorting their catch while John kept a watchful eye on a distant storm. Suddenly, the sky began to darken and the wind whipped to 60 knots. Then out of nowhere, the Salty Dog was slammed by a 20-foot rogue wave. Jake dug his paws into the deck and tried to fend off the storm with his mightiest growl. But it was too late... the next 20-footer engulfed the small craft. Jake and John were tossed into the raging sea. Jake instinctively swam to his master's side. John began to lose hope as he watched their boat sink to the bottom of the Atlantic Ocean, but...

Jake refused to give up. He paddled hard and headed in a westerly direction. Jake swam for three days and three nights with John holding fast to his collar. Jake just kept going until he had paddled all the way back to South Beach. Jake had saved their lives! Jake's place in nautical history is assured.
